Limited Warranty

Warranty

Elegante Surfaces, LLC warrants that all custom fabricated granite will be free from defects in workmanship and materials under normal use for a period of one (1) year from the date of installation (the "Warranty Period"). During the Warranty Period, Elegante Surfaces, LLC will repair, at its own discretion, products found to be defective. Products are warranted only to our direct customers and no warranty is extended to a third party.

Warranty Limitations

Granite, marble and other stone products are natural products, many of which are crystalline in structure. Natural fissures are not structural defects. As a natural product, granite, marble and stone products are also porous, which my cause dark spots and discolorations. These characteristics enhance the natural beauty of the stone and do not impair the durability of the product. Elegante Surfaces, LLC expressly excludes from this Warranty any discolorations, stains, dark spots or fissures which are naturally occurring in the Products.

Other Terms

Warranty does not cover countertops that have been moved from their original installed location, and it does not cover the natural characteristics of stone (Stated above), which include, but are not limited to, color variations, water lines, or surface marks. This warranty also does not cover damage to your countertop caused by items out of our control, such as house settlement, fires, tornados, or other acts of nature and damage caused by chemical or physical use or abuse.

No implied or expressed warranty of merchantability or fitness for any particular purpose is covered by this warranty except as expressly stated herein. Elegante Surfaces, LLC shall not be liable for any loss or direct, incidental, or consequential damages arising out of the use or inability to use your countertop(s).
